Mr. Lawrence Houston  
Central Intelligence Agency  
2430 E Street, N.W.  
Washington 25, D.C.

Dear Mr. Houston:

25X1A

Following our telephone conversation with regard to [REDACTED], I am enclosing a supplement to the personal history statement which he filed with the Intelligence branch of the Navy.

Since then young Froelich has graduated and, at the time the supplement was written, he had no idea about CIA.

Very truly yours,

  
George E. Allen
